During the loan process...

*Always continue to make all monthly payments on time, including the debts that are to be paid (if a debt consolidation loan).

*Do not apply for or attain any new credit, or increase the amount of debt on the accounts you now have. *Refrain from allowing other creditors from running your credit report. Too many "hits" or "inquires" may negatively affect your score.

*Do not quit your job or change employment. This will DEFINITELY stop the loan process.
